# First Feet of Strength Run

Newly improved David Turpin Athletic Field rededicated

BY PATRICIA KALOSKI

On Friday, June 7, more than 200 people hit the pavement for the Feet of Strength Run fundraiser that benefited Our Lady Queen of Apostles Catholic School in Center Moriches. This inaugural run/walk was the first of its kind in the school's history, but according to school staff, it won't be the last.

Fr. John Sureau, OLQA principal and pastor of St. John the Evangelist Roman Catholic Church, also in Center Moriches, has worked tirelessly since arriving in the parish a few years ago to promote OLQA as a viable option for education. From hosting numerous open houses, to offering new educational programs to students, Sureau continues to highlight the benefits of choosing a Catholic School education.

This most recent initiative, the Feet of Strength Run, was born from the idea that a fundraiser should be held that would include students. Different ideas were vetted among faculty, staff and OLQA parents, and a fun run was ultimately selected.

Fr. Michael Plona, pastoral vicar and one of the event organizers, created a buzz prior to the fundraising event through letters to the school community and in the parish's weekly bulletin. He invited students to involve not just their immediate family, but extended family and friends, to help support the cause and even join in the race. There was a \$30 race entrance fee, which included an official race T-shirt, water bottle, tote bag and barbecue, as well as a DJ for entertainment. The racecourse was one mile in length. The starting point was the OLQA parking lot on Ocean Avenue, which proceeded south to Inwood Avenue, west to Beachfern Avenue, east to Red Bridge Road, and concluded at the intersection of Red Bridge Road and Ocean Avenue.

"The Feet of Strength Fun Run was a

great first for OLQA. Many people from different facets of the local church, and school community came together for a day of fun and fellowship," said Tess Austin, OLQA campus minister.

Besides the run, the day also included the official rededication of the David Turpin athletic field, which is located behind the school parking lot. The field was originally named and dedicated in memory of David Turpin, a student of then St. John's, in the 1980s, who passed away suddenly when he was a teenager. A generous donation from an anonymous benefactor made the recent field improvements possible, which include the installation of a new basketball court and the complete reseeding of the grass field.

Paul Clores spearheaded the athletic field renovation project when he was at the

parish last year serving as a pastoral year seminarian. Clores said updating the field was just one of the many improvements that Sureau wanted to undertake. The original dedication sign to Turpin was "dirty" and "worn out" Clores explained, and in general, the field was languishing.

"Father John wanted to replace it with something nice for the school, the parish, the community, as well as a better way to memorialize David Turpin," he said.

The day was a huge success, said Plona, with many special memories made. Some highlights included the ongoing dance party that developed, thanks to the fantastic DJ, as well as the meaningful rededication of the David Turpin Athletic Field.

"From the excellent food provided by the Knights of Columbus, to seeing the joy of the students as they played on the field, danced by the DJ booth, or had their faces painted—this is definitely an event we're looking forward to next year," reflected Austin.

With nearly \$5,000 raised, Plona said he absolutely anticipates that there will be a second annual Feet of Strength Run, except it will "be bigger and better!"

Sureau, Plona and parish staff are now busy planning their next big fundraising event, the third annual Spirit Day, being held on Sunday, Sept. 8. Organizers are currently seeking event sponsors and volunteers. For more information, visit [www.stjohntheevangelistcm.com](http://www.stjohntheevangelistcm.com). ■

# Farm-to-glass brewery in Manorville

Long Island Farm Brewery approved for Waterdrinker Family Farm

BY GLENN ROHRBACKER

Waterdrinker Family Farm, owned by the Weiss family, will convert a 4,000-square-foot barn into a brewery and tasting room on their Manorville site. The plan was presented to and approved by the Brookhaven Planning Board last month.

The brewery will have a 1,200-square-foot tasting room, with another area set for retail sales, in addition to the 1,600-square-foot production room. The site plan presented creates an organized parking flow, where there will be some pavement and designated handicap stalls. There will also be a separate area for overflow parking.

Reactions were mixed at a May 13 public hearing in front of the planning board, where concerns were raised about the amount of traffic on Wading River Road and the lack of space for parking. But several speakers also acknowledged that the farm has been an important part of the community, and those who enjoy craft beer would be excited to see this built. Supporters conveyed the typical

scene for craft breweries as family-oriented.

"It's not a bar scene, it's not a sports bar, it's a family environment," said Kurt Garth, a Manorville resident.

Bill Zallacar, a Medford resident and a member of the Brookhaven Agriculture Advisory Board, said the Weiss family has been an important part of agriculture on the East End for five generations. Also, as vice president of the Long Island Farm Bureau, he is supportive of the brewery, which is using its own grown ingredients to produce the beer.

"It's been a hard endeavor for our industry out there," he said at the hearing. "And our industry is constantly changing."

Zallacar added that the family's history, experience and professionalism will make their commitment to the brewery sustainable and not second rate. He is confident that the operation will run smoothly and that the Weiss family will continue to be a significant part of the community.

Concerns were raised mainly about parking and traffic, with residents citing the heavy flow that is frequent on Wading River Road. It was also a concern to have a school, which is right across the street, open or being used by students at the same time as the brewery.

"The traffic on that intersection is

horrendous now—I can't imagine what it would be like with the addition of a brewery there," said Bruce Meyer, a Manorville resident.

Members of the planning board requested that larger vehicles, like buses or limos, could carry larger numbers of people. Staff recommendations indicate

that during peak months between April and October, there are no vehicles with more than 10 riders allowed. The tasting room would be able to hold fewer than 100 people. There are no plans for a kitchen, but there may be food trucks that visit on the weekends. The hours would be about 4 p.m. to 9 or 10 p.m. ■

# ESM budget confirmed

State argues first vote was invalid due to tax cap discrepancy

BY GLENN ROHRBACKER

Voters in Eastport-South Manor School District confirmed the May budget in a second vote on June 18. The state education department contended that the May ballot was invalid due to the proposition that would have breached the state tax cap.

The state said that since the vote would have required a 60 percent approval to breach the cap, it is invalid by only receiving 54 percent. But the budget itself did pass, without a cap breach, therefore rendering it effective. School officials have said they believe the vote was valid, but scheduled a second vote in case.

The district continues to disagree with the state, as lawyers are making their case for the May vote to be counted. The budget passed 1,211 to 1,002, with a second proposition to hire armed security guards failing. Outlines from the district stated that if the budget passed and the armed guards proposition failed, the budget would

still go into effect and would not be above the tax cap. The second vote was the same proposal as presented in May, and passed 1,108 to 587.

Voters passed a \$96,354,523 budget, a \$2.8 million increase from last year. The tax levy increase would have been 3.69 percent for both propositions, but the budget alone is a 2.75 percent levy, below the tax cap.

Additions to the 2019-'20 budget include newly established funds for students to participate in music competitions like SCMEA and NYSSMA and a payline for theater tech positions. It will fund late busses for 4:15 and 5:15 p.m. and funds an additional psychologist, state-mandated health teacher, state-mandated guidance counselor, high school administrator and assistant special education assistant administrator. It will also maintain all high school programs, chaperones for over 70 student events, all sports teams, class sizes and transportation routes.

The district also set aside funds to continue HVAC improvements district-wide and purchase new interactive displays for classrooms to replace smart boards. The budget also plans for the purchase of a bucket truck and flatbed truck for district use. ■

## Seniors shine at CM catholic school

Last month, the seniors of the local community were celebrated and honored by The Mission, the new Middle School Academy at Our Lady Queen of Apostles Regional Catholic School in Center Moriches. Seniors were invited to a special 11 a.m. Mass followed by an incredible reception in the school auditorium. The afternoon included lunch, interaction between seniors and students and some time for games and fellowship. The feast of St. Joseph the Worker, a patron saint of seniors, is celebrated on May 1.

Each month, students in The Mission are required to be part of some type of community service events that links to social justice teaching. Students have worked with a special project to provide a home for a family in Algeria, worked with local food pantries, spent time at Shrine of Our Lady of the Isle and much more. For the upcoming month, students will visit and work with Hope House Ministries and Good Shepherd Hospice.

Seniors were very touched by the day. One guest sent a note to The Mission saying, "This day was a wonderful idea...I am new here and met six new people. It was so nice to feel I belong." Sister Ann Berendes, director of Senior Ministry, commented, "Our seniors are our greatest resources of wisdom and wonder. We are so blessed for all they do. What a great way to celebrate them!"

OLQA is a Catholic elementary school committed to educating young people of all faiths from age 2 through middle school, including special programs in our Early Childhood program and The Mission, our new middle school academy focused on servant leadership and high school and collegiate preparation. For more information about the Catholic School in Center Moriches, especially for an exciting, engaging and challenging opportunity for middle school students, contact OLQA at 631.878.0009 or visit their website at [www.olqany.org](http://www.olqany.org).

On May 24, 2019, congressman Lee Zeldin and Brookhaven Town supervisor Ed Romaine officially re-opened Webby's Beach in Center Moriches to the public. The dredge of the Intracoastal Waterway was completed earlier this year and the sand collected from the project was used to replenish the beach and change the landscape to combat erosion. The Town of Brookhaven then completed the final touches on sand placement, including the grading of the beach. ## Girl Scouts help homeless

Girl Scout Troop 1556 has made a commitment to Maureen's Haven in Riverhead to help supply lunches for their participants from May through November. The girls will be holding food drives throughout the summer months to help meet the needs of individuals who are homeless. Maureen's Haven provides safe, warm, temporary shelter to homeless individuals from November through March, utilizing volunteer houses of worship and congregation volunteers. The host facilities and supporting organizations provide much more than a place to sleep and a nutritious meal. They provide support through embracing the values of human dignity, respect, service, compassion, teamwork, diversity and love.

## Chamber president honored

The 20th annual Brookhaven Chambers of Commerce Coalition awards reception and dinner was held Tuesday night at the Willow Creek Golf & Country Club in Mt. Sinai. The scholarship winner is Kristine Brittelli, a senior from Bellport High School. The outstanding member for the Brookhaven Chambers of Commerce Coalition winner of the year is Paul Quinn from Mastic Shirley Chamber of Commerce.

"Every community is defined by its business community, its chamber of commerce," said supervisor Ed Romaine. "Not only are you the economic drivers of the town, but you are the people that define the community and help move it forward."

Twenty chambers of commerce throughout the Town of Brookhaven are represented in the coalition, including Patchogue, Medford and Bellport

The winners of the economic stimulus grant/award were Florence and Peter Fournaris, owners Lemon Tree, Center Moriches. Also pictured is Barbara Ransome.

CM varsity baseball completes an undefeated season with their second state championship

BY GLENN ROHRBACKER

Center Moriches High School can add one more to their seemingly endless banners of athletic wins.

It was certainly a home-run season for Center Moriches varsity baseball, as they went undefeated and clinched their second-consecutive state title. They won the Class B state final in a game at Broome Community College in Binghamton. Actually, they didn't just win—they dominated their opponent Schuylerville, 11-1.

But the success for Center Moriches extends past this season, as their total game winning streak hits 41, 26 of which came from this season. They are the fifth team in New York varsity baseball to complete an undefeated season. Their last loss was on April 18, 2018 against Mattituck. In just this season, the team held eight shutouts, and most others to just a run or two.

The game got off to an explosive start as catcher Alec Maag launched a

three-run home run in the first inning. On the defensive side, he was assisted by starting pitcher Matt Alifano, who secured his ninth win of the season. Nate Sigersen and Jordan Falco, neither of whom allowed any runs, followed Alifano.

Maag, who went 2-for-2 overall in the championship game, said he's still enjoying the win with his teammates.

"It's great to see a lot of hard work pay off," he told the *Tide*.

The team has 15 seniors that will head their separate ways after graduation, but Maag said the team should continue to work hard and stick to their goals. The 2019-'20 lineup will look to continue their undefeated streak into a third season.

After the team was declared the winner in Binghamton, community members and the Center Moriches Fire Department began working to schedule an impromptu parade for the team upon their return home. The players met the fire department around 9:30 a.m. and were able to travel through the streets of Center Moriches, cheered on by family and fans. Maag said it makes the experience that much better when the community is behind you.

"Center Moriches is all about sports, and to get that kind of support is really cool," he said. ■

Firemen play Crusaders in benefit soccer match for families of 106th Rescue Wing soldiers

BY GLENN ROHRBACKER

Capt. Andreas B. O’Keeffe of Center Moriches, Staff Sgt. Dashan Briggs of Port Jefferson Station, Master Sgt. Christopher J. Raguso of Commack and Capt. Christopher T. Zanetis of Long Island City, Queens, were four soldiers from the 106th Rescue Wing who were killed in Iraq after their plane crashed. On Saturday, June 22, the community gathered to honor them and raise money for their families.

“Let us always remember these men and their families in our prayers,” said supervisor Ed Romaine.

The event honored and raised money for the soldiers, who died on March 15, 2018 when their helicopter crashed in Iraq. They were all stationed at Francis S. Gabreski Air National Guard Base in Westhampton. O’Keeffe, of Center Moriches, was also honored posthumously in May with a tree dedication at Kalers Pond Park. There was a magnolia tree planted to honor him, and the Town of Brookhaven will be placing a plaque at its base with an inscription for him.

The Firemen (in red) defeated the Suffolk County Crusaders in a benefit game for families of soldiers who died in Iraq last year. MT/Rohrbacker

“Please take a moment to thank the many brave men and women who are away from their families in service to our country so that we may be safe,” said Legis. Rudy Sunderman.

The game featured players on one side from the Center Moriches Fire Department, playing the Suffolk County Crusaders, with all proceeds going to the families of the

soldiers who died. The Firemen relished in their home-field advantage, beating the Crusaders 7 to 4. The Chamber of Commerce of the Moriches organized the event. ■

There are 12 folds. The first fold is the symbol of life, the second fold is belief in eternal life, the third is made

**1. Begin by holding the flag waist-high with another person so that it is parallel to the ground.**

in honor and remembrance of veterans, the fourth represents our weaker nature as Americans trusting in God in times of peace and war, the fifth is a tribute to the country, sixth is where our hearts lie in the pledge of allegiance, seventh is the tribute to the armed forces, eighth is in tribute to the one who entered into the valley of the shadow of death so that we might see the light of day and to honor our mother, ninth is a tribute to womanhood, 10th is tribute to the father, 11th is in the eyes of Hebrew citizens, and 12th is in the eyes of Christian citizens. Once completely folded and tucked

in, the stars are left, reminding us of the national motto, "In God We Trust." Folded flags should then be stored inside a display box. Follow the pictures for a visual representation of how it's done.

**3. Fold the flag again lengthwise with the blue field on the outside.**

## THE HISTORY OF OUR FLAG

On June 14, 1777, the Continental Congress passed an act establishing an official flag for the new nation. The resolution stated, "Resolved, that the flag of the United States be thirteen stripes, alternate red and white;

that the union be thirteen stars, white in a blue field, representing a new constellation."

Though the origin of the flag is unknown, some believe it was designed by New Jersey congressman Francis Hopkins and sewn by Philadelphia seamstress Betsy Ross.

**4. Make a triangular fold by bringing the striped corner of the folded edge to meet the open edge of the flag.**

## THE DESIGN

The flag has 13 horizontal stripes, seven red and six white, representing the original 13 colonies. Each star was added as each new state formed for a total of 50.

RED represents hardiness and valor, WHITE symbolizes purity and innocence and BLUE represents vigilance, perseverance and justice.

## THE NATIONAL ANTHEM

The flag has survived battles, inspired songs and evolved in response to the growth of the country it represents, according to American Legion Post 269 Commander Jon Ralph.

After the British bombardment, amateur poet Francis Scott Key was so inspired by the sign of the flag still flying over Baltimore's Fort McHenry that he wrote the "Star Spangled Banner" on Sept. 14, 1814. It became our national anthem in 1931.

**5. Turn the outer point inward, parallel to the open edge, to form a second triangle.**

## THE PLEDGE, CODE AND DAY

The Pledge of Allegiance was formally adopted by Congress in 1942 as part of the U.S. Flag Code. It was written by Francis Bellamy in 1892. The American Legion and representatives of the Army and Navy formed the code in 1923. President Franklin Delano Roosevelt signed the code the next year in 1942 and President Harry S. Truman declared June 14 as Flag Day in 1949.

## RESPECT

The flag should never be dipped to any person or thing; when displayed with another flag in front of a room, it should be on flag's own right and must be higher than the other flags. The flag should always be

**6. Continue folding triangular until the entire length of the flag is folded.**

displayed to the left of the observer and should always be raised first and lowered last, with the union at the top of the pole. It should never touch the ground, and must be illuminated at night.

Half-staff is a sign of respect or mourning and an action proclaimed by the president, statewide or territory wide. However, there is no prohibition against municipal governments or private businesses or citizens

**7. Fold in the excess, creating a perfect triangle.**

flying it half-staff as a local sign of respect. It should first be briefly hoisted to the top then lowered to the half-staff position.

Never use the flag for advertising purposes, or to cover anything other than a casket of a veteran, police officer or fireman. Nothing should ever be placed or written on it and it should never be used to carry anything and should only be displayed with the union stars down to signal a dire emergency.

## DISPOSAL

If the edges become tattered or the flag touches the ground and can no longer be used as a symbol of the U.S., it should be destroyed in a dignified manner, preferably by burning it.

**8. When completely folded, only a triangular blue field of stars should be visible.**

### Summer of food drives

During the month of July, Girl Scout Troop 633, pictured above with Keith Caputo of Helping Makes U Happy, will be holding food drives at the Center Moriches King Kullen to assist HMUH in our fourth summer of feeding families referred by the schools.

On a weekly basis from July until the week of Labor Day, groups of volunteers collect, purchase, pack and deliver boxes of easy-to-prepare, nonperishable breakfast and lunch items to these families, and also to the Veterans Food Pantry in Yaphank. This year we will also be collecting school supply items to fill new backpacks for the children, which will be delivered along with the final food deliveries.

If you are interested in participating in this project, please call or text 631-848-9008, or email us at [helpingmakesuhappy@gmail.com](mailto:helpingmakesuhappy@gmail.com). Boxes are packed on Mondays, early evening, and delivered on Tuesday afternoons/evenings. Donations are always gratefully accepted.

The CMFD will be hosting its always-popular annual Country Western Night on Saturday, July 13 behind the firehouse. Come on down and get your country on! Call 631-878-0089, x 116 for more info.

If you love Chinese auctions, great food, and supporting a fantastic organization, then the IRIE Chinese auction at Giorgio's on Thursday, July 18 is the place for you! We'll be showing our support for sure. For information and reservations, please call 631-871-1916—no tickets sold at door.

If you're having a summer yard sale and find you have leftover Halloween costumes you no longer want, please remember us and our annual October free Halloween costume giveaway. We accept gently used costumes all year round! Have a happy and safe Fourth of July everyone!

## Moriches Bay Garden Club

### Hard work has paid off

July is here and all our hard work has paid off.

Tried and true annuals like begonia, zinnia, vinca and New Guinea impatiens are in full bloom. Some members have planted impatiens this year. We are keeping our fingers crossed that the blight that affected them five years ago is completely gone.

Tiger lilies, Asian lilies and day lilies all have buds and are ready to bloom.

Watch out for the lily bug; if you have holes in your leaves, you probably have them. They are red, the size of a ladybug, but without the spots. I keep a container of soapy water near the lilies to collect them. Check for them every day.

The butterflies are moving in this month. Just in time, because July

is National Pollinator month. Along with birds and bees, butterflies are important pollinators, so be kind to them. Treat them to a basin of clean water every day.

The interactive summer youth gardening program at the Yaphank Farm starts on July 10 and ends on Aug. 28. Sharon Ott and Lori Silverman (both master gardeners) are involved with this program.

For registration information go to Cornell's website: <http://ccesuffolk.org>.

We are looking forward to our luncheon on July 18. Hope to see you there. Still time to make a reservation—check our website for information: <http://morichesbaygardenclub.org>.

## 75 Years Ago

July 1944

Mrs. Caroline Fehner, of Center Moriches, was visited by two of her five servicemen sons, home on leave: Pvt. Alfred Fehner and Pfc. Clarence Fehner. The others in the military are Pvt. Arthur Fehner, Marine Corps; Pvt. Victor G. Fehner, Army, overseas; and Pfc. Emmett Fehner, Army.

Girl Scouts from Troop 13 of Center Moriches who are enrolled at the Scout Day camp in Patchogue are Ruby Bell, Marilyn Merritt, Anna Roth and Joan Belli.

Miss Viola Davis and Miss Janice Wenzel were hostesses at a surprise party given in honor of Miss Marie Pugh at Miss Davis's home on Crosby Street, Center Moriches.

The Solitaires had a reunion at the East Moriches home of Mrs. Amy Reeve with every member present.

Miss Frances Hammond is home at "Isle of View" in Center Moriches with her family, Mr. and Mrs. James B.M. Bulloch, after having made an extensive tour throughout the country, playing one of the leads to Guy Kibbee in "The Old Soak." Mr. Kibbee and Miss Hammond did a show at the hospital for servicemen each week while in Detroit, Mich., as part of their tour.

The Ladies' Auxiliary of the Center Moriches Fire Department held its annual dinner at the Long Island Hotel. Mrs. Gladys Loper was mistress of ceremonies and Mrs. Elizabeth Gewehr, retiring president, was given a set of dishes in appreciation of her good work.

Over 100 members are enrolled in the Red Cross swimming course being conducted by Ben Tabatchnik at the beach at the foot of Union Avenue, Center Moriches.

Mr. and Mrs. H.L. Emmeluth of Barns Road, Moriches, announce the engagement of their daughter, Miss Catherine Emmeluth, to James Schultz of Mastic. The wedding is planned for Sept. 3.

Jack Kanas is the manager of the newly organized East Moriches baseball team.

A carnival, "Victory Shows," was held under the auspices of the

East Moriches Fire Department, with proceeds going towards the Hook and Ladder Company. The members of the carnival committee were Percy Raynor, chairman, and chief Arthur Willis and Walter Gordon.

Mrs. Grace Garish, of Eastport, received a letter from her nephew, 1st Lt. Bernard Harding of the Army, who recently received the air medal. He had just completed 13 missions and said that his plane, "Feuding Wagon," had four holes shot in her, with not one of the crew injured.

East Moriches women who attended a club meeting and tea at the Moriches Women's Club were Mrs. Roger Criado, Mrs. Walter Chichester, Mrs. George Stone, Mrs. Walter Darnell, Mrs. Claude Conklin and Mrs. Rowland Simes.

The family of Mr. and Mrs. Frank Valenti, of East Moriches, gave a dinner party for them at Casso Basso, Westhampton.

Playing in July at the Center Moriches Theatre: Charles Boyer and Ingrid Bergman in "Gaslight"; Lucille Ball and Dick Powell in "Meet the People"; June Allyson and Van Johnson in "Two Girls and a Sailor"; Tom Conway and Jean Brooks in "A Night of Adventure"; and Fredric March and Alexis Smith in "Adventures of Mark Twain."

## 50 Years Ago

July 1969

The third annual Community Bazaar was held on the grounds of the Jewish Center of the Moriches, Main Street, Center Moriches. The bazaar is sponsored by the Deborah Sisterhood and the women's groups of the Center Moriches Presbyterian Church, St. John's Episcopal Church, United Methodist Church of Center Moriches, Christ Church-Evangelical Lutheran and St. John's R.C. Church.

The Moriches Bay Audubon Society conducted a field trip to the Nichols Estate in Mastic led by Leroy Wilcox.

The Youth Group of the Eastport Gospel Church honored the graduates of the church with a buffet supper and musical performance. The graduates honored were Vanessa Tuttle, Joan Kuech, Marion Ceruti, Brian Penney and Ashley Poplaski.

Barbara Chapkin of East Moriches achieved a scholastic standing of 91.4 on the honor roll of the sixth-grade class during the last marking period.

Richard W. Stout, of Center Moriches, was sworn in as a volunteer in the United States Marine Corps and will report for training in October.
